What is the HSB Tool?

- The “High School and Beyond” Planning tool is one of the applications in the “My School Data” suite created by WSIPC
- Helps students create their Post-Secondary Plan quickly and easily
- Uses a Data Warehouse built from SIS data from around the state

Background

- How the Planning Tool came about
 - State Board of Education
 - OSPI
 - WSIPC's My School Data Framework and Data Warehouse

Features

- Based on the state template
- Student information comes from the District SIS
- Information is dynamic – Based on graduation year
- Links to college and career resources

Benefits

- Can follow a student when they transfer
- Won't get lost
- Counselor Management Features
 - Help students with 4-Year Course Plan
 - Monitor student progress
- Transfer's, GLO's and Waivers can be added

Benefits

- Captures activities and experiences for college applications, resumes, cover letters, etc.
- Number of credit requirements can be increased to match district requirements
- Credit and class information is entered only once

Benefits

- Guardians can Log-in to view their student's plan and approve
- Accessible anytime from home, library, school labs
- Software is provided to all districts in the state at no additional cost

Usage

- Currently 101 districts in the state have been activated
- Used by more than 12,000 students statewide
 - Projected 10% increase next year for 9 – 12 graders
 - 7th and 8th grade students
 - Seattle Go-Live

Let's take a Look!

WHAT IS REQUIRED TO GRADUATE FROM HIGH SCHOOL?

To graduate from high school in Washington, students must meet three requirements:

- Earn high school credit (at least the minimum number required by your district);
- Meet standard on State tests and end-of-course exams; and
- Prepare a High School & Beyond Plan.

WHAT IS THE HIGH SCHOOL & BEYOND PLAN?

The High School & Beyond Plan is a collection of written documents that helps students set goals for the future and then take the steps needed to achieve those goals.

- The student's interests and abilities, and the relationship to his/her current career goals;
- A four-year plan for courses taken during high school that is aligned to fulfill high school graduation requirements;
- Identification of exams student needs to graduate from high school and for post-secondary goals (State assessments, ACT, SAT, etc.);
- Research on postsecondary programs related to the student's goals;
- A completed resume or activity log;
- A budget for life after high school; and
- Demonstration of preparedness through presentation of HSBP.

Students who are focusing on Career & Technical Education courses in high school will prepare a Program of Study to design a personal plan for their high school and postsecondary experience. This plan, along with the student's classroom instruction, will provide practical experience and enhance the student's personal communication, leadership, and teamwork skills.

You can learn more about the High School & Beyond Plan at the State Board of Education's web site:

[State Board of Education High School & Beyond Plan](#)

You can learn more about Career & Technical Education and the Program of Study at:

[Career & Technical Education](#)

Programs of Study Links

Programs of Study are detailed guides for students, mapping out specific course options for a chosen career path from high school through postsecondary education. Programs of Study show how to smoothly transition into postsecondary education from high school CTE. They exemplify the importance of career planning, beginning in the freshman year in high school, and even

Student Selection Option for Counselor

The screenshot displays the 'My School Data' web application interface. At the top right, there are links for 'Portal Home | Log Out | Language' and 'Student Dashboard | Switch Students'. The main navigation bar includes 'Student Profile', 'My Plan', and 'HighSchool & Beyond Info'. A modal window titled 'PLEASE SELECT A STUDENT' is open, featuring a search input with 'sim' and a list of student records. The record 'Lopezscr-002, Simone - Gr. 10, F,' is highlighted in orange. A 'CONTINUE' button is located at the bottom of the modal. The background shows a 'Who Am I' section with a text input field and a 'How Will I Become That' section with a text input field.
