CHARTER SCHOOL CERTIFICATION OF COMPLIANCE RCW 28A.710.150

Pursuant to RCW 28A.710.150(2), the Washington State Board of Education(SBE) is required to certify that an Authorizer approved charter school meets the limits for establishing charter schools set forth in RCW 28A.710.150(1). This certification is required to be done before final authorization of the charter school.

On September 24, 2014, Spokane Public Schools approved Spokane International Academy as a Washington State Charter School with an opening date of 2015. The school district submitted a timely report of the action taken to the SBE on October 1, 2014 as required by RCW 28A.710.150(2).

The State Board of Education, as required by RCW 28A.710.150(2) and under the process prescribed in RCW 28A.710.150(3) and WAC 180-19-090, now certifies that Spokane Public Schools' approval of Spokane International Academy as a Charter School for opening in 2015 is in compliance with the limits on the maximum number of charter schools that may be established under RCW 28A.710.150(1).

DATED this 15th day of October, 2014.
