

Strategic Planning Meeting #2: April 29, 2010

Washington State Education Reform Plan Discussion Draft

Vision

“All Washington students will be prepared to succeed in the 21st century world of work, learning, and global citizenship”

Washington Education Reform Plan

Goals

All Washington students will...

- 1) Enter kindergarten prepared for success...
Early Learning: A Smart Investment
- 2) Be competitive in math and science nationally and internationally...
Math & Science: A Competitive Edge
- 3) Attain high academic standards regardless of race, ethnicity, income, or gender; and close associated achievement gaps...
High Academic Standards and Attainment: Academic Success for All
- 4) Graduate able to succeed in college, training, and careers...
College and Workforce Preparedness: Viable Futures for All
