Notes

- (1) Entrance into 4-year universities in Washington State will require either a math credit or a math based science course in the senior year.
- (2) Three credits beyond the general studies requirements must be linked to the student's high school and beyond plan. One of these credits must be an occupational education credit. These three credits are known as a student's Career Concentration.
- (3) One PE credit can be waived if participating in two or more sports over the course of grades 9 - 12.
- (4) Entrance into most 4-year universities require two years of a second language for acceptance.
- (5) Student seeking to participate in band, choir or drama all four years of high school may be required to take on-line courses and/or seek PE waivers to create credit capacity. Please see counselor for details.
- (6) Students will be required to complete their high school and beyond plan and culminating project as part of their graduation requirements.
