

## **APPROVAL OF PRIVATE SCHOOLS FOR 2009–10 SCHOOL YEAR**

### **BACKGROUND**

Each private school seeking State Board of Education approval is required to submit an application to the Office of Superintendent of Public Instruction. The application materials include a State Standards Certificate of Compliance and documents verifying that the school meets the criteria for approval established by statute and regulations. A more complete description is attached for reference.

Enrollment figures, including extension student enrollment, are estimates provided by the applicants. Actual student enrollment, number of teachers, and the teacher preparation characteristics will be reported to OSPI in October. This report generates the teacher/student ratio for both the school and extension programs. Pre-school enrollment is collected for information purposes only.

Private schools may provide a service to the home school community through an extension program subject to the provisions of RCW 28A.200. These students are counted for state purposes as private school students.

### **EXPECTED ACTION**

The schools herein listed, having met the requirements of RCW 28A.195 and are consistent with the State Board of Education rules and regulations in chapter 180-90 WAC, be approved as private schools for the 2009–10 school year.
