

Exhibit A

The Office of the Superintendent of Public Instruction recommends a score of 41 as the cut between “Basic” and “Proficient” for the Biology Collection of Evidence, and a revisited score of 24 as the cut between “Basic” and “Proficient” for the Math Year 1 Collection of Evidence.

The scores were developed through the processes presented to the State Board of Education on March 5, 2014, and approved by the Board on March 6, 2014.
