

## **COLLABORATE**

### **WHO? Are our**

- Underserved students
  - Underserved families and communities
  - Other partners
- Have we proactively engaged the above?*

## **IDENTIFY**

### **WHAT? Are the**

- Systemic inequities
- Unintended Consequences
- Institutional policy barriers
- Problematic practices
- Restorative measures
- Impacts on students

## **ACT**

### **HOW? Are we**

- Recognizing, exposing, and removing barriers
- Redistributing access to opportunity and power
- Disrupting and dismantling practices that cause predictable and disproportionate student outcomes

**Bottom line: HOW will this action achieve educational equity?**

**Educational Equity Lens - SBE is committed to using equity as a guiding principle in its work, to address persistent inequities within our educational system.**
