- Annual public report by OSPI to SBE summarizing all applications for school and district waivers (including emergency and weather waivers under RCW 28A.150.290, WAC 392-129-125), with data on approvals/ non-approvals, links to applications, reason for approval/non-approval and related analysis.

**6. BEA compliance**

- SBE retains responsibility for the annual compliance process (RCW 28A.150.250)
- Amend RCW 28A.150.250 to state that OSPI has explicit authority to withhold state funds from local education agencies in whole or in part for the basic education allocation until program compliance is assured.
- Amend RCW 28A.150.250(3 to state that the State Board of Education may recommend that the Superintendent of Public Instruction withhold said funds until program compliance is assured (statute now states SBE “shall require” SPI to withhold said funds)

**7. Waivers of credit-based high school graduation requirements**

- SBE retains responsibility for setting criteria, rulemaking, and approval for waivers of credit-based high school graduation requirements. (RCW 28A.305.140, WAC 180-51-061 through 180-51-068)
- SBE retains responsibility for automatic one-year and two-year waivers of the 2019 deadline for the 24-credit graduation requirement. (RCW 28A.230.090(1)(d)(ii) and WAC 180-51-068)
- With respect to RCW 28A.655.180, which states that either SBE or OSPI may approve waivers for “restructuring educational programs,” amend statute to specify only SBE has responsibility to approve these waivers.

**8. Operational Interactions (non-legislative)**

- Data: SBE and OSPI will enter into a formal Data Sharing Agreement that insures processing and transmittal of data to SBE within xx days in order to facilitate SBE fulfillment of its accountability responsibilities. Said agreement will insure security of data and will seek to minimize impacts on OSPI staff.
- Office Space: OSPI and SBE agree that proximity of the organizations to each other promotes efficient and effective management of their respective responsibilities. Insofar as it is possible, OSPI will seek to maintain that proximity.
