

THE WASHINGTON STATE BOARD OF EDUCATION

An education system where students are engaged in personalized education pathways that prepare them for civic engagement, careers, postsecondary education, and lifelong learning

COVER: JOINT STUDENT PRESENTATION ON MENTAL HEALTH

Prepared for the March 2019 Board Meeting

Information and action item.

As related to:

- Goal One:** All students feel safe at school, and have the supports necessary to thrive.
- Goal Two:** All students are able to engage in their schools and their broader communities, and feel invested in their learning pathways, which lead to their post-secondary aspirations.
- Goal Three:** School and district structures and systems adapt to meet the evolving needs of the student population and community, as a whole. Students are prepared to adapt as needed and fully participate in the world beyond the classroom.

- Goal Four:** Students successfully transition into, through, and out of the P-12 system.
- Goal Five:** Students graduate from Washington State high schools ready for civic engagement, careers, postsecondary education, and lifelong learning.
- Goal Six:** Equitable funding across the state to ensure that all students have the funding and opportunities they need, regardless of their geographical location or other needs.

Materials included in packet:

- Mental Health Resolution (additional materials).

Synopsis and Policy Considerations:

Board members Autymn Wilde and Joseph Hofman have jointly developed a student presentation on mental health. They are proposing a mental health resolution for the Board to consider for adoption during the meeting.
